- Round plaques have a rear wall slot for hanging as standard. Desk struts available at additional cost
- Shield plaques have desk struts as standard. Rear wall slot for hanging available at additional cost
- Recommended for interior use only
- No minimum order quantity
- Call off and monthly administration systems available

Material/s

Base: Quality veneered MDF

Metal plate: Aluminium is one of the most sustainable materials around. Recycling aluminium is widely done and saves about 90% of the energy it takes to make new aluminium, also reducing the mining of the bauxite ore needed. Due to its wide and varied applications, the commercial and domestic recycling infrastructure of aluminium is continually growing and all our aluminium production waste is sold for recycling, the proceeds of which are used to plant trees with Ecologi. Recycling of aluminium varies widely in the UK with plenty of local council metal recycling centres.

Size/s

Shield shape plaques:

5.5" x 7.5"

8" x 10"

Round shape plaques:

8"
